**COMPLAINT**

*Civil Action No.*

1:24-cv-437

Plaintiff, DERRICK MULLINS, ( “Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues FLAMING SADDLES NYC #1, LLC, a domestic limited liability company, and DANHAR ENTERPRISES INC., a domestic business corporation (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1343.

2. Venue is proper in this Court, pursuant to 28 U.S.C. §1391(B) in that all events giving rise to this lawsuit occurred in the State of New York.

3. The violative Premises and the events giving rise to this lawsuit is located at 793 9<sup>th</sup> Avenue, New York, NY 10019 (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants FLAMING SADDLES NYC #1, LLC AND DANHAR ENTERPRISES INC. are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, FLAMING SADDLES NYC #1 is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants’ Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, DANHAR ENTERPRISES INC. is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff’s visit to the Premises, and prior to the instant action, Plaintiff was, and still is a resident of the City and State of New York. Plaintiff has Muscular Dystrophy

which constitutes a “qualified disability” under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On October 3, 2023, Plaintiff again attempted to enter Defendant’s Premises (a well-known unique wild west themed bar), which is two (2) miles from his home, after dropping his frined off at a local bus stop, to meet with friends at the bar for a drink. However, because of the architectural barriers at the entrance of the bar, such as, inter alia, a large step, Plaintiff was unable to enter the Premises. As a result of this experience, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants’ Property, which is subject to this instant litigation.

13. Plaintiff lives in the neighborhood and was intending to meet friends for a drink at the unique themed wild west bar by their home. Planitiff and his friends have attempted to enter Defendants’ Premises in the past year to hang out and have some drinks, but continues to be denied access each time having to find another bar that is accessible, and therefore suffered an injury in fact. Plaintiff is currently deterred from going to the bar based on his knowledge of the barriers to access that exist and intends on immediately returning to the Premises once the barriers are removed and the Premises is ADA compliant.

14. Defendants’ violations impede upon Plaintiff’s, and other similarly situated disabled individuals’ right to travel free of discrimination. Defendants have knowingly, intentionally, and willfully violated the ADA, choosing to violate the ADA and related laws simply to save some money, without justification.

**COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

15. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

16. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the “2010 Standards” or “Accessibility Standards”) dictate that property owners and operators of commercial premises being used as “commercial establishments” are responsible for complying with these Federal Accessibility Standards.

17. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs and/or alterations since January 26, 1990.

18. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants’ Premises, in violation of these Accessibility Standards.

19. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants’ Premises.

20. Plaintiff visited Defendants’ Premises with the intention of utilizing Defendants’ facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and continues to desire to visit the Premises

in the future, but will suffer future harm in that he is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

21. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter “ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

22. The Defendants’ Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. Due to the step leading to the entrance, the Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrance in violation of Sections 206.2.1, 303.5 and 404.2.4 of the 2010 ADAAG standards.
- b. Failure to provide at least one of each type of service counter/ bar counter top complying with Section 904.4 of 2010 ADAAG Standards in violation of Sections 227.3 and 902.3 of the 2010 ADAAG Standards. More specifically, the bar counter tops exceed 34 (thirty-four) inches in height from the floor.
- c. Failure to provide an accessible restroom with accessible features.
- d. Failure to provide accessible dining tables.
- e. Failure to provide adequate directional and accurate informational signage throughout the Premises.

- f. Failure to provide a safe and accessible means of egress for emergencies.
- g. Defendants fail to adhere to a policy, practice, and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

23. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

24. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

25. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

26. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.
